

Supervisor Burton W. Chase said today that the Los Angeles County Road Dept. intersection improvement program is continuing with construction work planned for the intersection of 228th Street and Moneta Ave. in the Dominguez area. The work is scheduled to begin during the week of May 25.

The construction work will consist of extending the existing pavement to join curb and gutter recently constructed under permit by the adjoining property owners.

Supervisor Chase adds that the completed project will add traffic capacity and increase the flow of traffic through this intersection.

Safeway Stores Open 'Cross Out' Game, Offer Valuable Prizes

An exciting new game called "Cross-Out" has been launched by the Los Angeles Division of Safeway Stores. Among the more than \$130,000 in prizes to be given away in the Southern California area only will be such luxury items as Schiaparelli mink stoles work \$825, RCA Color television sets priced at \$835, \$225 Free - Westinghouse automatic sewing machines, portable television sets, stereo consoles, and dozens of other valuable prizes.

Any adult can win! Safeway customers can pick up their game cards at any Safeway store; a different game each week for 12 successive weeks. Safeway's ads in the Thursday HERALD will carry a master number checking chart for each of these 12 weeks, with a different combination of numbers each week.

Safeway customers can match these numbers against their cards, with any five corresponding numbers in a row, down, across or diagonally winning a valuable prize. "Cross-Out" is similar to "Bingo," except that the center number is not a "free" number. If a card does not win one week it may be used again any of the following weeks.

Complete rules and regulations are printed on the back of each "Cross-Out" card, along with a list of available prizes.

This is not a national contest. The Los Angeles Division includes Paso Robles and Bishop to the north, Las Vegas, Blythe, Palm Springs and Indio to the east, and Laguna Beach to the south. This area alone will share in the more than \$130,000 in luxury prizes.

Safeway customers are advised to watch for winning numbers in regular Safeway ads in the HERALD.

Wells, on the Southern Baptist Convention which convened in Louisville, Ky., May 19-22. The number of cooperating churches rose to 31,498 during 1958. The total membership rose to 9,206,758. This is the largest Baptist convention in the world. The Sunday school enrollment now stands at 7,096,175. This is the largest Sunday school enrollment of any Christian denomination in the world, the Rev. Mr. Wells reported.

Total gifts to all causes reached \$419,619,438 for the year, with \$74,750,899 being given to missions. Over 2,600 missionaries are now under appointment in the mission fields of the world.

Name Crews For Youth Safety Run

A 12-man technical committee, under Officer Ira W. McKay of the San Marino Police Department, will handle details of the sixth annual Youth Safety Run, June 21-23, from Torrance to Yosemite and return.

Mechanical crew will be Lt. Ron Root, Pomona PD, 1959 president of the Police Advisory Council for Car Clubs of Los Angeles County, sponsoring the big youth driving event, and Sgt. Bill Catlin, Burbank PD.

Five named for the gas crew are Officers Larry Harnois and Bob Guenther, Pasadena PD; Bob Sinclair, Azusa; Sam Piazza, Torrance and Howard Christensen, Sierra Madre.

Lt. Jim Fennessy, Monrovia, is in charge of advance clearing; Officers Bob Thomas, Lynwood, follow-up and Don Sanders, Burbank, of photography and publicity arrangements.

As in past years, Covinans Les Ritchey and Wally Cartwright, both of Performance Associates, have donated mechanics services; likewise Bud Mounsey of Mounsey's Garage, Burbank. "Emergency tow-truck will be furnished by Luke Wynn of Wynn's Tow Service, Lynwood.

Lt. Root, who last year headed the technical committee while Officer McKay served as PACCOC president, said that the 1959 run is shaping up as the best yet and "on all counts."

"We've bumped into problems on the run each year, but every event has been better and smoother than the one before. Now the men are familiar with their assigned tasks," he said.

JADE CLASSES Three different kinds of minerals are commonly called varieties of jade.

Sunday Topic To Denounce Necromancy

A new, old problem is fathomed in the Lesson-Sermon entitled "Ancient and Modern Necromancy, Allan Mesmerism and Hypnotism. Denounced," which will be read in all Christian Science churches on Sunday.

The Golden Text from Proverbs declares, "Do they not err that devise evil? but mercy and truth shall be to them that devise good" (14:22).

Throughout all time, self-will with its allied thoughts, has plagued and enslaved man. However, the Bible teaches that man's source is in God. "Wherefore be ye not unwise, but understanding what the will of the Lord is, 'tis the admonition of the Apostle Paul to the Ephesians" (5:17).

Mary Baker Eddy unmask the threat of evil forces when she says in a statement from the Christian Science textbook, "Science and Health with Key to the Scriptures": "God has endowed man with inalienable rights, among which are self-government, reason, and conscience. Man is properly self-governed only when he is guided rightly and governed by his Maker, divine Truth and Love."

The addition will provide additional room for the Sunday School enrollment, the pastor said. The congregation also approved paving of the parking area at the special meeting.

The Rev. Mr. Pisel will receive communion and close of the members at the Sunday, 11 a.m. services Sunday. The Baptist Youth Fellowship will meet at 6:30 p.m. and the pastor will continue his series on the book of Hebrews at the 7:30 p.m. meeting Sunday.

Plans for a father and son banquet to be held June 20 are progressing, he said.
